Elden Kobo Arigato: The Elden Ring Story - The new fantasy action role-playing game developed by Gust. I am your narrator. I will fight for the same thing you are fighting. We will hunt monsters together, together. ■ Description of The Lands Between It is a world where the lands between the dual heaven and earth have been scattered. There are an untold number of worlds. It is a world where countless tribes live in harmony, each following its own religion. In this vast world, large and small kingdoms and nations exist. There are countries where plants and animals exist on the periphery of the human world, side by side with human beings. ■ Multiverse and Skills In the Lands Between, there exist a large number of different worlds. There are countries where the size and shape of this world is different from that of this world, and there are countries that have gained the status of monsters. In addition, there are swords and monsters that appear outside the main world. To fight and survive in a living world, a player must obtain skills, and must combine those skills with the various weapons and armor. Skills improve as you proceed, and as you accumulate experience, skills increase in effectiveness. What is the master of the different worlds in the Lands Between? Who will come to our world? ■ New Epic Drama of The Lands Between This is a world where the lands between the dual heaven and earth have been scattered. In the Lands Between, the vast world gives birth to a multitude of unseen dangers. It is a world where multitudes of human tribes and monsters exist. It is a world where kingdoms, countries, and countries exist. A land where you can fight. A land full of dangers. A land full of living conflicts. We, the creators of The Lands Between, finally released a game that you can play. ■ The Master Crafted by Gust This game is the masterpiece that was developed by "Forced Progression" under the leadership of "Gust." It is a game that will fill you with strong emotions as the story of the Lands Between unfolds. ■ Characters You are not just a character in this game. Your very existence relies on the battle in The Lands Between. Participating in the battle, you can change everything around you. ■ The Story of The Lands Between "What is this world we live in?" "We live in bff6bb2d33
